

# GIGGLEPOT CABERNET SAUVIGNON

## 2013 Tech Sheet

The fruit for the Gigglepot comes entirely from the Prime Cabernet Sauvignon Vineyard in McLaren Vale. Warwick and Jenny Prime have been with us for 10 years, and always grow according to the Marquis Vineyard Watering Programme. They only produce a small amount of intensely flavoured fruit, so we never have much of this wine.

**MARQUIS FRUIT WEIGHT**  
*Our guarantee of quality*

**Required: 75% - 80% Actual: 80%**

Marquis Fruit Weight™ is the percentage of your palate (from the tip of your tongue going all the way back) that's covered by the velvety sensation of fruit, before you experience any of the structural components of the wine.

### Winemaker's tasting notes

Vibrant dark cherry red in colour, the Gigglepot expresses great varietal cabernet aromas of cherry, forest fruits, blackcurrant, plum, choc mint with hints of cinnamon spice. A wine that you can drink more than a glass of, once in the mouth the palate fills with multiple layers of dark chocolate and coconut cream. Perfectly balanced with a seamless finish this is a great wine for the Cabernet lover. *Peter Tavella*
