WHAT IS SERENITY?

Serenity is that perfect moment of happiness and sense of peace amidst the noise of life. Lush and compelling, Serenity Merlot Rosé requests attention, but demands nothing.

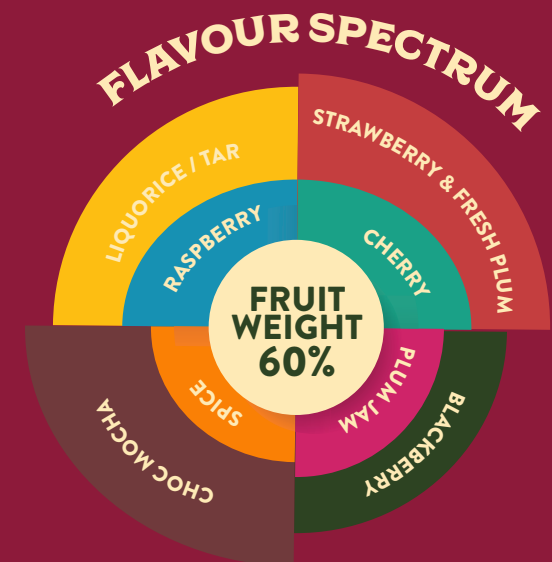

WINEMAKER TASTING NOTES

An aromatic and enticing wine, blush pink in colour with fragrant strawberries on the nose. Serenity is bursting with delicious mouth-watering fruit while cotton candy and fresh raspberries dance throughout the palate with hints of cherries and toffee apple. A crisp finish to polish the mouth completes the elegant experience of our 2022 Serenity Rose.
