WHAT IS VELVET GLOVE?

A wine that wraps your entire palate in a 'Velvet Glove' of exquisite, everlasting fruit flavours. This is the pinnacle of Mollydooker wine making.

WINEMAKER TASTING NOTES

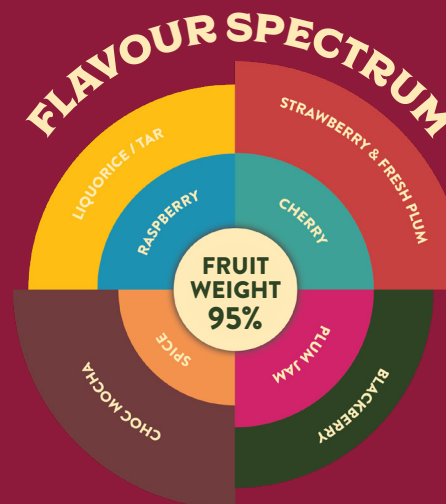

In the glass, the 2022 Velvet Glove is a wine of depth and intensity, reflecting the essence of McLaren Vale Shiraz and Fruit Weight™. It balances strength, depth, and finesse, with a pleasing aroma that harmonizes berries and a blend of spices. Initially, flavours of ripe blackberry and cassis are accompanied by hints of raspberry and chocolate coffee cream. The wine's supple tannins and velvety mouthfeel complement the richness of the flavors, maintaining an exquisite balance and finesse throughout the tasting experience.
